**Three Decades of Love** is an anthology in print including three novellas\*:

- **The Christmas Heart** by Janet Eaves  
Christmas 1944—Mary Ellen Chambers has learned to appreciate simple comforts in the midst of war coffee rations, her job at the factory and the upcoming Christmas season in Legend, Tennessee. She's already lost one sweetheart to the war, and the last thing she wants is to get involved with another soldier. Could Captain Austin Watkins be the best Christmas gift she's ever received?
- **A Groovy Christmas** by Jan Scarbrough  
Christmas 1968—a year where women are burning bras and men are burning draft cards. Can Kathleen Fields and Grant Winchester, from feuding families like the Hatfield's and the McCoy's, reconcile their differences and find love in Legend, Tennessee?
- **Under the Mistletoe** by Magdalena Scott  
Christmas 1975—Dorothy Robbins is working hard to build up her Leaving Legend Fund. Charles McClain escaped the small town life years ago, but is home for the holidays. No way will either of them stay in Legend, Tennessee, and no way will a brief fling turn into something complicated...like love.

**A Christmas to Remember** is an anthology in print including three novellas\*:

- **Through Her Eyes**—Christmas 1945  
Allie Winchester's war-time job has been given to a man. It's almost Christmas and she's about to be homeless. And she never found the man of her dreams even though she danced her way through World War II with every soldier who passed through Legend, Tennessee. Just when she thinks all is lost Allie is offered a job to care for an injured soldier. The only trouble is that George Sterling is blind, mad at the world, and irritatingly rude. Can she help him find the light in a world gone dark, without losing her heart in the process?
- **Not Quite Christmas**— Christmas 1969  
Accountant Frank Smith doesn't want to go home for Christmas, not since he was dumped by his long-time girlfriend on Christmas Day a year ago. Avoiding Legend, Tennessee, is high on his priority list until he meets his mother's houseguest—hippie chick Emmy Johnson, a girl with a past . . . and maybe Frank's future.
- **The Holly and the Ivy**— Christmas 1978  
For nationally known singer Eli McClain, Christmas in Legend is a way to placate the family he left years ago. He should have everything, but at twenty-five, Eli burned out. Running into Jeannie Adams doesn't help. All through school, Eli and Jeannie were the bane of each other's existence. Yet the fleeting kiss he left her with right after graduation has never quite faded for either of them. Jeannie has deep roots in Legend, and Eli jerked his roots up years ago, so even the magic of a beautiful hometown Christmas can't bring these two opposites together. Or can it?

*\*Novellas in e-book format and sold separately from the print anthology containing all three*
